INCLUSIVE EDUCATION USING ANIMATION AND MULTIMEDIA 2nd NEWSLETTER

We are happy to share with you the 2nd newsletter of
I_AM: “Inclusive education using Animation and Multimedia” project

As you may recall I_AM project aims to support inclusive education of children with special educational needs and disabilities (SEND) through an innovative person-centred, inter-disciplinary and art-based approach, implemented in Greece, Cyprus, Hungary, and Poland.

PROJECT NUMBER: 621502-EPP-1-2020-1-EL-EPPKA3-IPI-SOC-IN

PROJECT DURATION: December 2020 – November 2022

PROGRAMME: Erasmus+

KEY ACTION 3: Support for Policy Reform

ACTION TYPE: General education and training

The project utilizes multimedia resources and especially **animation**, through a **blended learning capacity building** programme, to develop a welcoming environment for children with SEND in mainstream schools.

We are sharing with great pride that research part of the I_AM project was finalized in June 2021 and and Situation analysis and needs assessment report implemented by the cooperation of several professionals at school, parents and adults with SEND is available [here](#).

Participants of the quantitative research:

3 parts of the questionnaire, 22 items

536 participants – Cyprus (72), Greece (167), Hungary (246), Poland (51)

Participants of the qualitative research (interviews):

24 participants from 4 countries

12 members of educational staff

12 individuals with SEND

Good practices:

we identified and described 16 different good practices

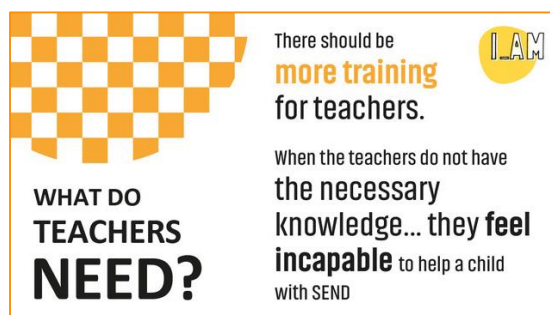

CAPACITY BUILDING ACTIVITIES

INCLUSIVE EDUCATION USING ANIMATION AND MULTIMEDIA 2nd NEWSLETTER

We presented in social media posts the highlights of the research:

<https://twitter.com/IAM16708848>

Based on **the results of the research**, we created a **Handbook** and now we organize

CAPACITY BUILDING ACTIVITIES IN CYPRUS, GREECE, HUNGARY AND POLAND

which means **interactive** and **practice-oriented**, online available **trainings** for teachers and special teachers, members of school staff about inclusive education in countries of each project partners. The next level of capacity building activities is a **Multimedia training about animation and multimedia** presented by PLATFORMA Urban Culture and Co, organizer of Animasyros festival.

After the trainings, each partner country will launch a **nationwide competition**: teams of professionals at school and children can develop **animation films about the topic of inclusion** and the winner team of each countries will be awarded and win the opportunity to participate on the international animation festival **ANIMASYROS, in Greece** in September 2022.

Calls for join to the trainings: <https://inclusiveeducation.eu/capacity-building/>

Please share it with any interested parties and invite them to join to the capacity building activities.

“To this end, the project will connect the dots between inclusive education approaches & techniques, the cultivation of emotional intelligence and multimedia usage in mainstream schools.”
